

Dear Valued Customer,

Welcome to **BJ Ryan's Catering!** Let us cater your special event! We would be thrilled to bring our expertise to your home, backyard, beach, school, club or park. We have extensive experience planning your perfect party, indoors or outdoors, any time of year.

We can assist in designing a menu to perfectly accentuate your special event. Let us navigate you through our menu possibilities. Please call us anytime to start the process

The BJ Ryan's Group would like to welcome all of you to our neighborhood; we have two restaurants in downtown Norwalk Center ready to service all of your eating and drinking appetites. Over nine years ago we began on Main Street at BJ Ryan's "Pub". A two Story Gastropub serving fun, eclectic favorites, as well as, what is now known as the best pub burger in town, conveniently located between Wall Street and Route 1. We've attracted a group of loyal customers who have become regulars and friends from surrounding towns. As we grew, we felt the need to diversify, and loving the neighborhood that we now feel is home, we opened up BJ Ryan's BanC House around the corner just a half a block off Wall Street. BanC house proudly serves fine BBQ and seafood delicacies including several types of cold-water crabs and blue crab in season. We frequently cater on and off premise parties including birthdays, receptions, showers and weddings and all types of corporate events. We have a friendly and welcoming ownership and management team at both locations that will make you feel right at home and take care of any personal requests that may arise. Please join us any day of the week at either location and become part of the BJ Ryan's Group. We look forward to meeting you.

Most Sincerely,

Buckley Ryan & BJ Lawless - Proprietors
